

SV II

In touch with nature.

*Kowa*

# SV II

Where value meets quality. A range of affordable optics without compromise.

- Waterproof and dry nitrogen filled
- Ergonomic styling
- Lightweight body
- Fully multi-coated optics
- KR protective coating
- Easy to use
- Superb value

**Easy to use:**  
Large responsive focus wheel.

**Easy to adjust:**  
Tailor to suit your viewing needs.

**Bright and clear:**  
Fully multi-coated optics.

**Portable:**  
Lightweight ergonomic body.

Kowa have infused over half a century of heritage in optical design and manufacture to develop a range of high quality, affordable optics in the stylish SV II range.

Featuring fully, multi-coated optics, The SV-II range deliver a bright and clear image with natural colour and contrast.

Easy to operate with a large, responsive focus wheel, ergonomic design and lightweight robust materials delivering an optic that represents a superb value / performance ratio and a joy to use.

A tough polycarbonate, fully waterproof and nitrogen filled body makes these binoculars perfectly at home in the great outdoors whatever the weather. Kowa's unique KR coating also repels dirt and residue from building up on the lenses.

The SV-II range include a high quality padded case and neck strap plus objective and eyepiece protective caps.
