KOWA SV25
— SERIES —

ULTRA COMPACT BINOCULARS

8x25 | 10x25

A QUALITY OPTICAL EXPERIENCE

The KOWA **SV25** ultra compact binocular series.

Never miss that amazing moment with the pocket sized **Kowa SV25** binoculars.

Drawing upon decades of legendary Kowa optical heritage, these binoculars use state of the art lens coatings to produce clear, bright and sharp images resulting in a surprisingly high optical performance level for such a compact model.

They might be small - but they're still tough! Featuring a waterproof and nitrogen filled rubber armour covered body, these tiny gems are built to withstand the elements.

A lightweight, compact and ergonomic design combined with a tactile finish and responsive focus wheel, make handling and using these binoculars a real pleasure, whether that be viewing distant wildlife in the mountains, enjoying a show at the theatre or viewing flowers on a coastal walk.

Whatever your world, see it closer and in vibrant detail with the **Kowa SV25**.

Hinged design for enhanced portability

Fit in your pocket sized optics

Twist eyecups for viewing comfort

Smooth focus wheel for easy operation

The perfect 'take anywhere' binocular | Walking & Travel | Nature Viewing | Sporting Events | Theatre and Concerts
